STRADA ABARTH 130 TC

Fiat's sporting pedigree reveals itself in a truly outstanding car: The Strada Abarth. The performance is sheer brilliance. The acceleration is simply breathtaking. The shape and style are pure inspiration.

From 0-62 mph in an incredible 8 seconds flat. An awe inspiring top speed of 122 mph. A powerful 1995cc twin cam engine.

Add the mechanical excellence of a close ratio ZF 5 speed gearbox, two twin choke side draught carburetors and an electronic Digiplex ignition system and the Abarth shows you a performance unmatched by any other car in it's class.

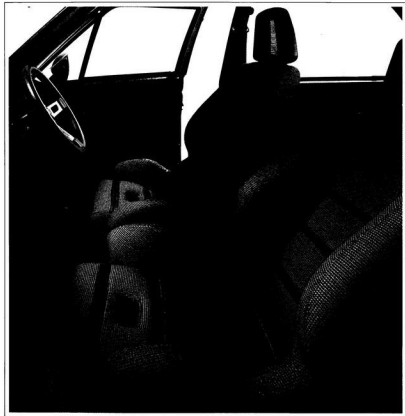

Three spoked sports steering wheel (rake adjustable), a high performance heating and ventilation system and a dashboard that covers everything, right down to oil pressure and temperature gauges. (The radio/cassette is an optional extra.)

For outright exhilarating performance the Abarth is the epitome of excellence, setting a new standard for the perfect all round sporting saloon.

The stylish body-hugging Recaro seats with built in head restraints underline the Strada Abarth's sporting pedigree. These seats provide the ultimate driving posture, allowing you to appreciate and enjoy the Abarth's breathtaking performance to the full. Legroom is in plentiful supply both front and back. The back seats are asymmetrically split and fold flat to offer 44 cu. ft of storage.

The Abarth is motoring pleasure every inch of the way. The superb suspension system has stronger springs resulting in impeccable handling, which perfectly compliments the brilliant performance. In order to keep your body temperature well under control while driving the Abarth, there are no less than eleven

The Recaro seats give wrap around comfort and security and maintain excellent posture for longer distance and performance driving.

strategically placed air vents from a highly advanced heating and ventilation system.

Superb in performance, outstanding in practicality, the Abarth excels when it comes down to details.

The high-performance Pirelli P6 radial tyres help make the Abarth sure-footed at all speeds. To assist fuel economy the front window wind deflectors and the distinctive rear spoiler contribute to an impressive fuel consumption figure of 42.8 mpg at a steady 56 mph. Internally adjustable driver's door mirror, tinted windows, twin halogen headlights and fog lamps fitted into the front spoiler give the finishing touches to a performance hatchback that is without equal.

The Fiat Strada Abarth. An inspiration on the road.

The view most other drivers will see - the Abarth's superb level of specification includes a rear spoiler, rear wash/wipe and impressive impact resistant wrap around bumper.

Distinctive Pirelli alloy road wheels.

The dynamic Abarth power plant - twin overhead cam 1300 cc engine giving a generous 130 bhp.

SPECIFICATION

Engine

Interior		Constant 75 mph	32.5 mpg (8.7L/100km) 32.1 mpg (8.6L/100km)
Clock, digital	•		
Gear handles	3		
Heater, illuminated switches	•		

AFTERCARE

All Fiats carry 12 month unlimited mileage warranty, including tyres, batteries and faulty materials. Your first service is free of charge (provided it is carried out by an authorised Fiat dealer, between 600-900 miles, during warranty period). A warranty can be taken out for a further one or two year period.

In case of breakdown, within the first 12 months, the Fiat Recovery Service will provide either roadside assistance and repair, or recovery by the nearest Fiat dealer. There are over 300 dealers nationwide, each fully stocked with Fiat spares, and staffed by highly skilled Fiat technicians.

Ask your Fiat dealer about the Fiat Recovery Service, as well as the Fiat Owners' Insurance Plan.

This scheme, which is underwritten by the Sun Alliance Insurance Group, offers comprehensive cover, with competitive premiums which can be spread over 12 months. A no claims discount can be transferred from an existing policy to the Plan.

This is available only through Fiat dealers.
