## STRADA

The success of the Strada is a tribute to advanced technology and production techniques. The unique aerodynamic shape and lack of vibration make the 65CL shown here one of the quietest and most comfortable in its class.

Inside the 65CL you'll find comfortable, anatomically designed cloth seats, reclining front seats, a radio as standard equipment and, to enjoy the handling and performance.

The comprehensive dashboard of the Super includes a graphic display control module, which has an illuminated diagram of the car to pinpoint possible faults, as well as a rev counter and a digital clock.

The new three door Strada 105 Twin Cam with its 1585cc engine that delivers 105 bhp and 109 mph\*
